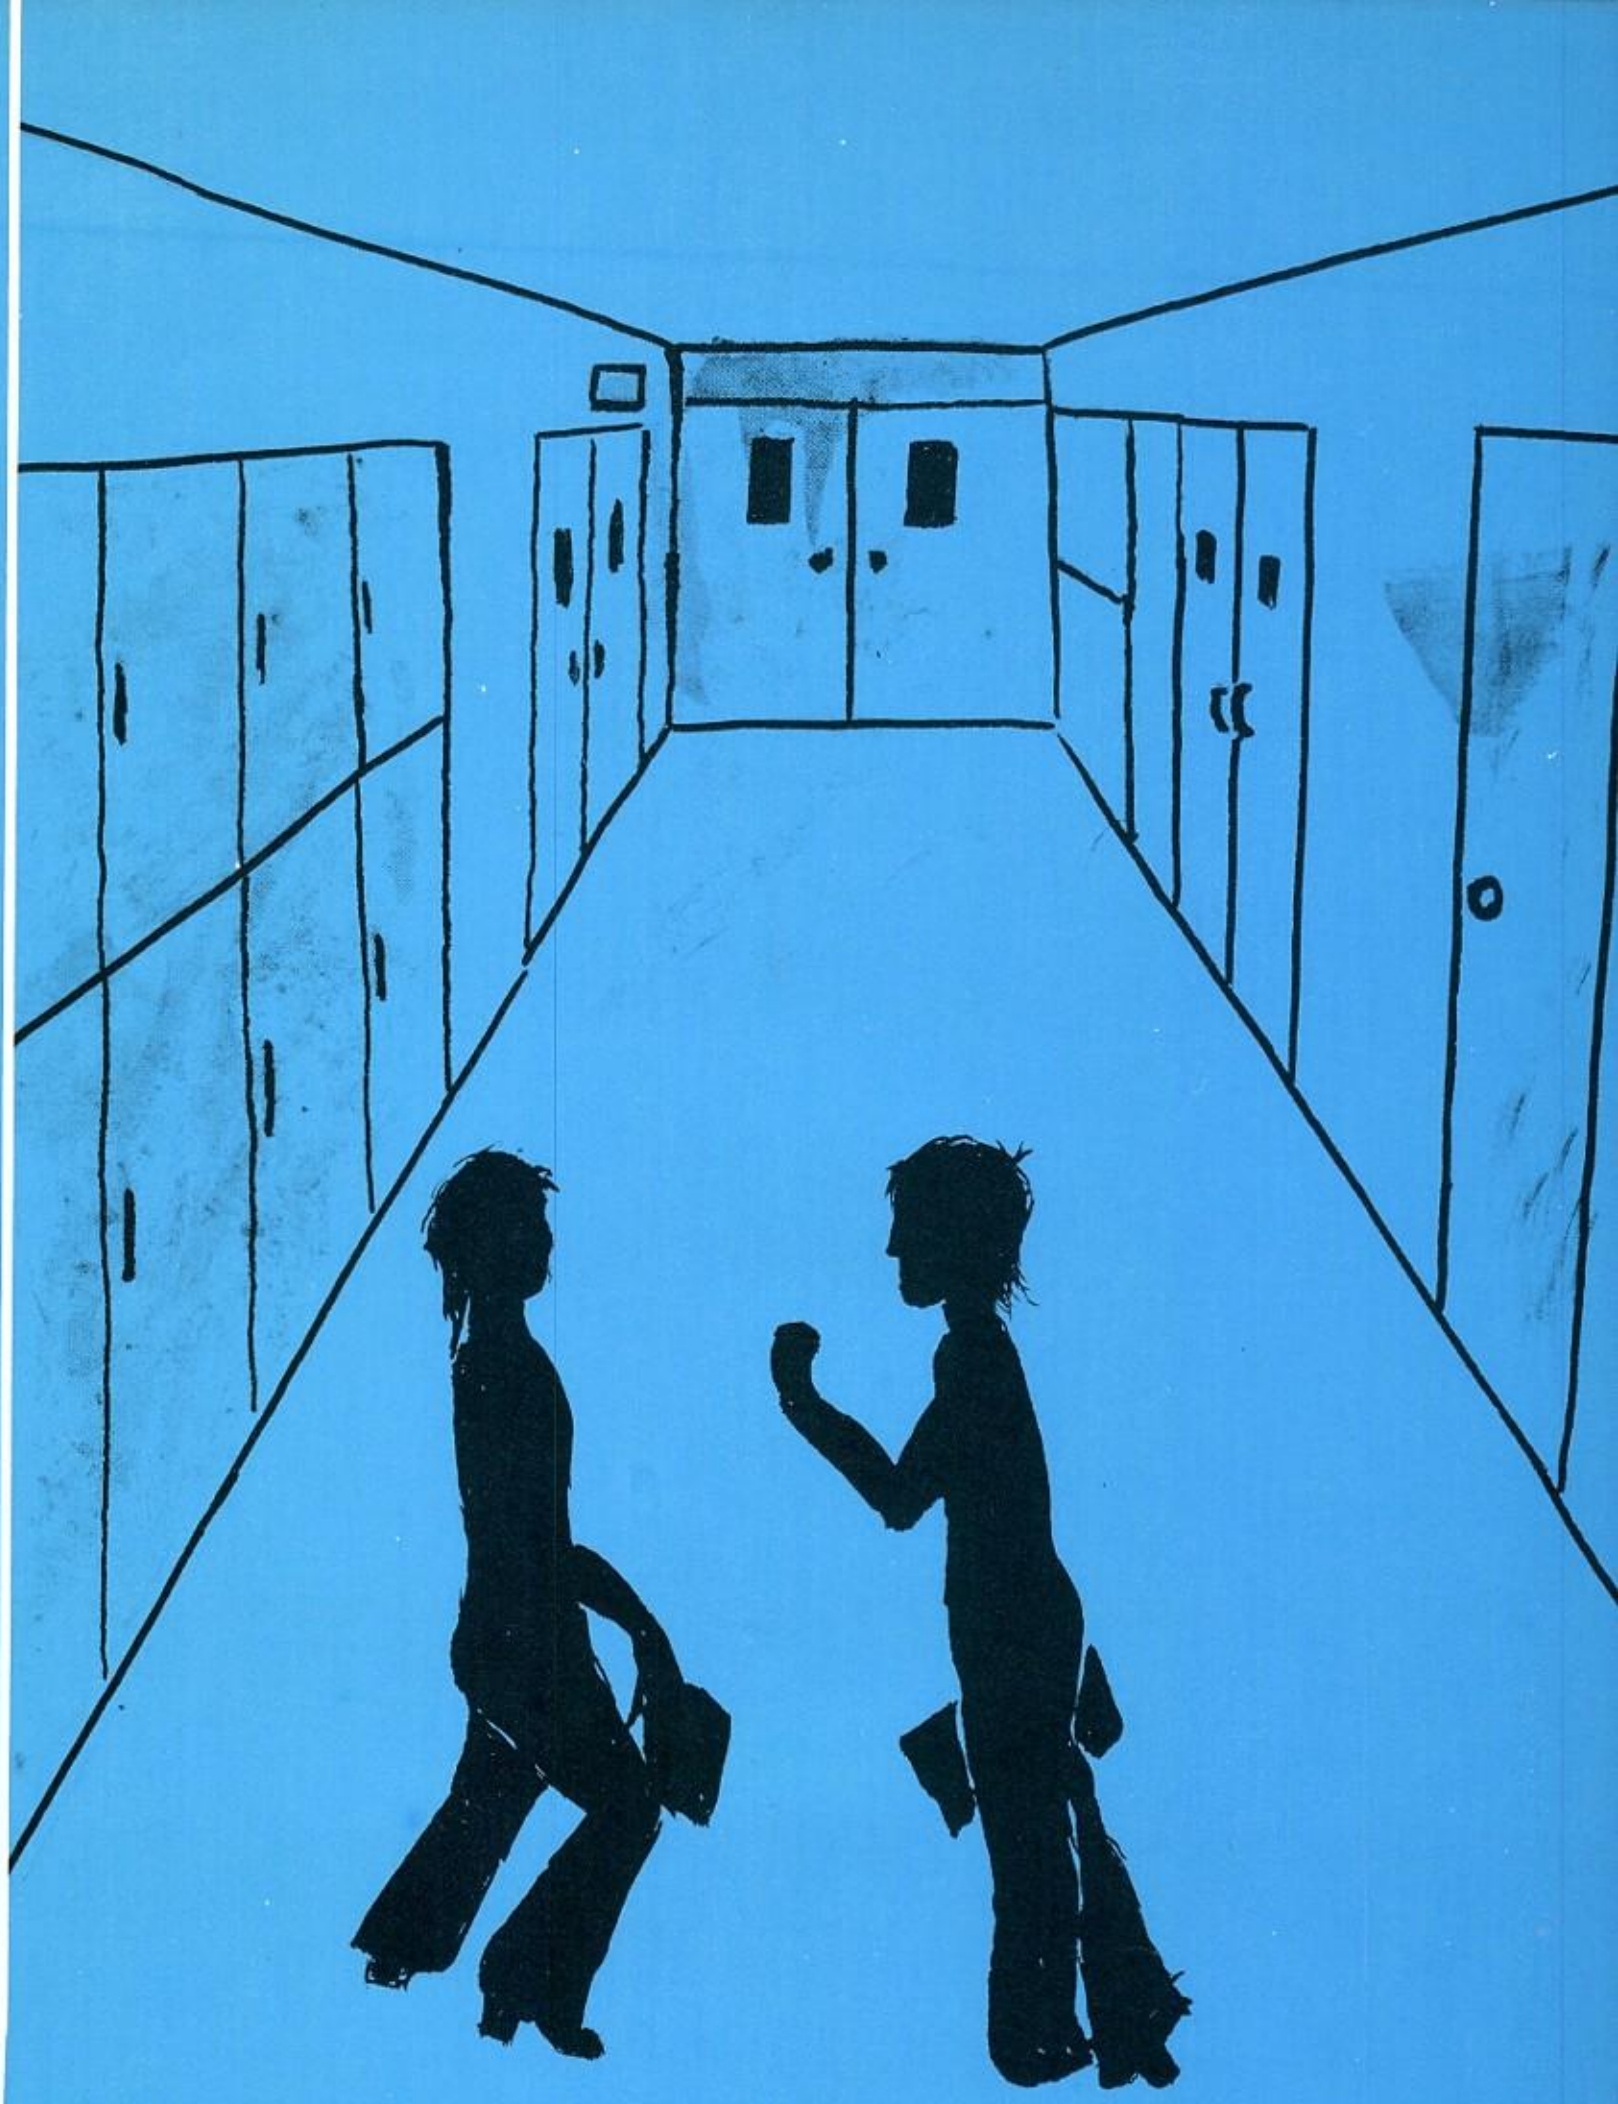
STUDENT LIFE



When you think of the 1974-75 year you spent at Joelton, what do you, remember? Skipping class, pep sessions, Home-coming?

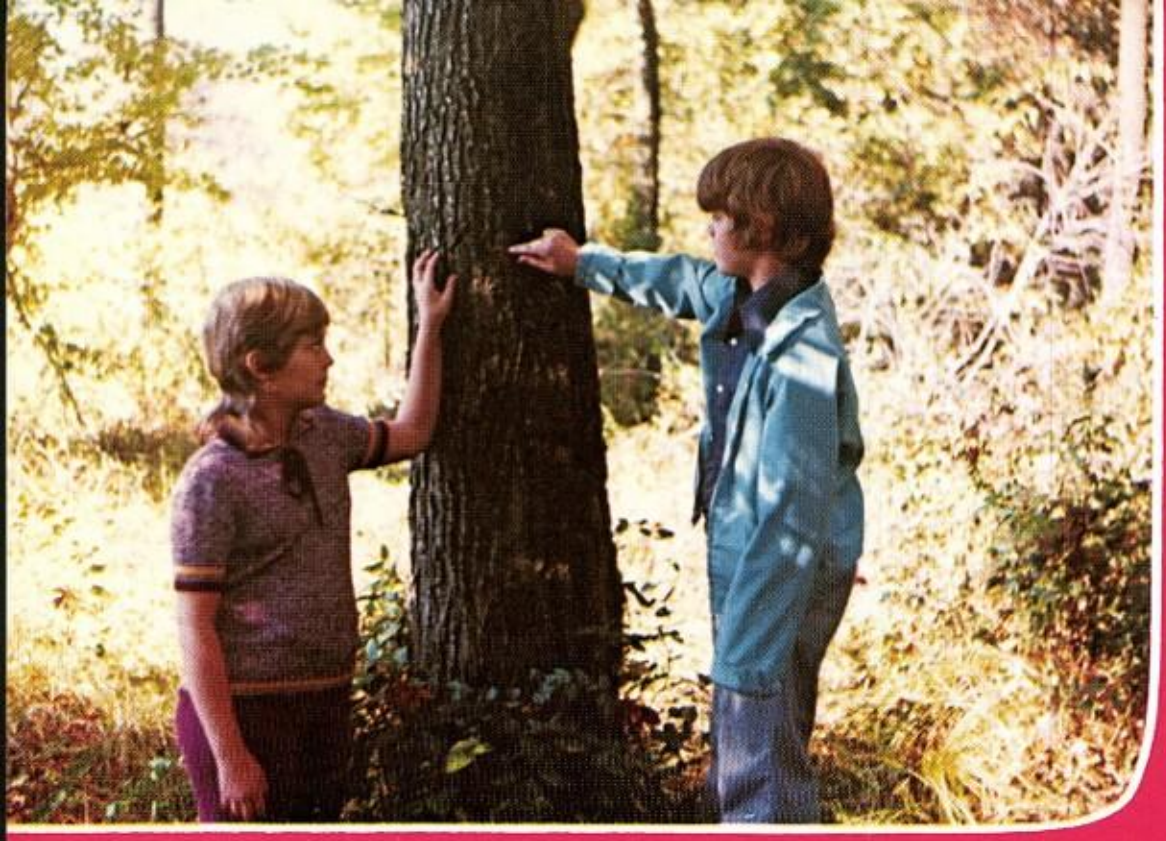
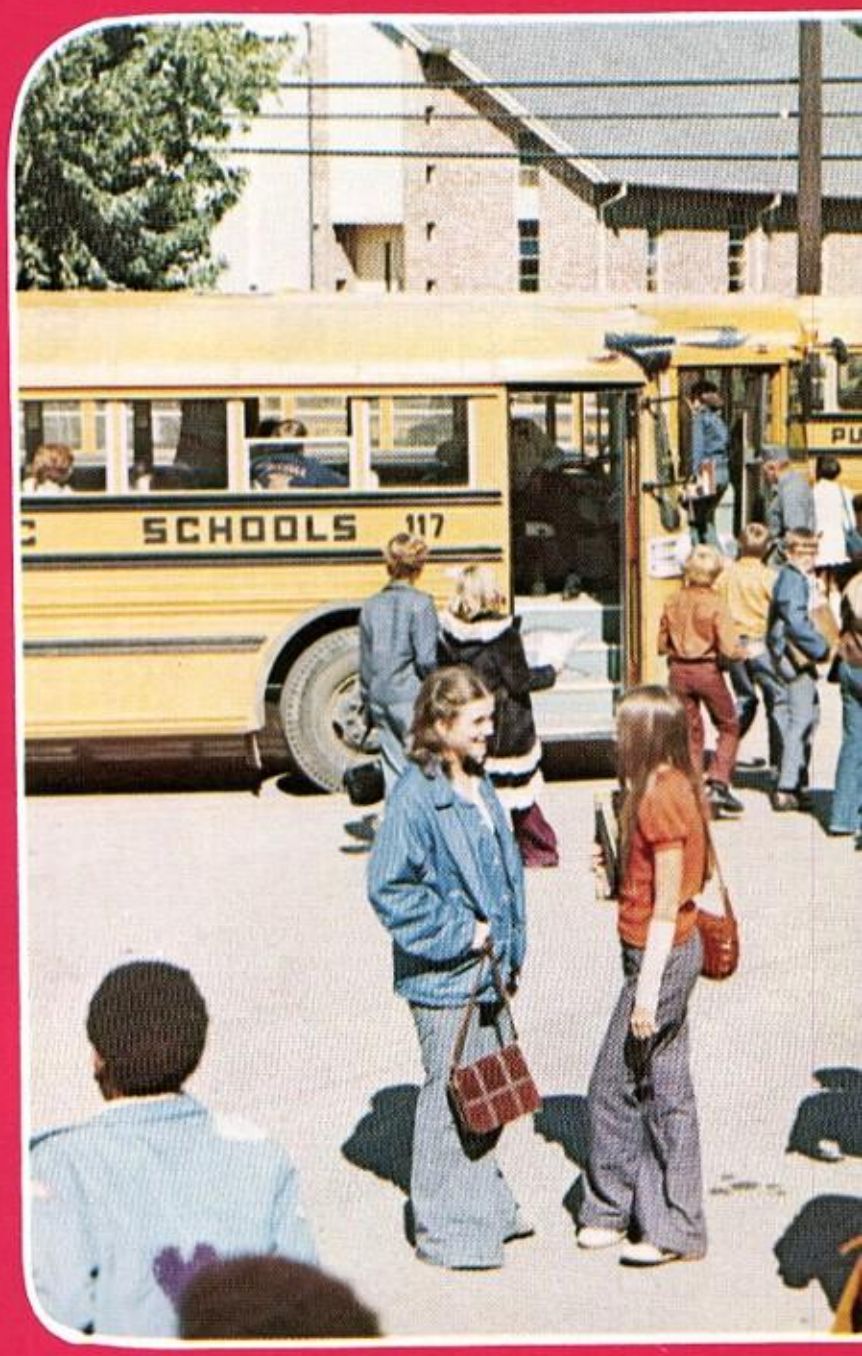
SONA,

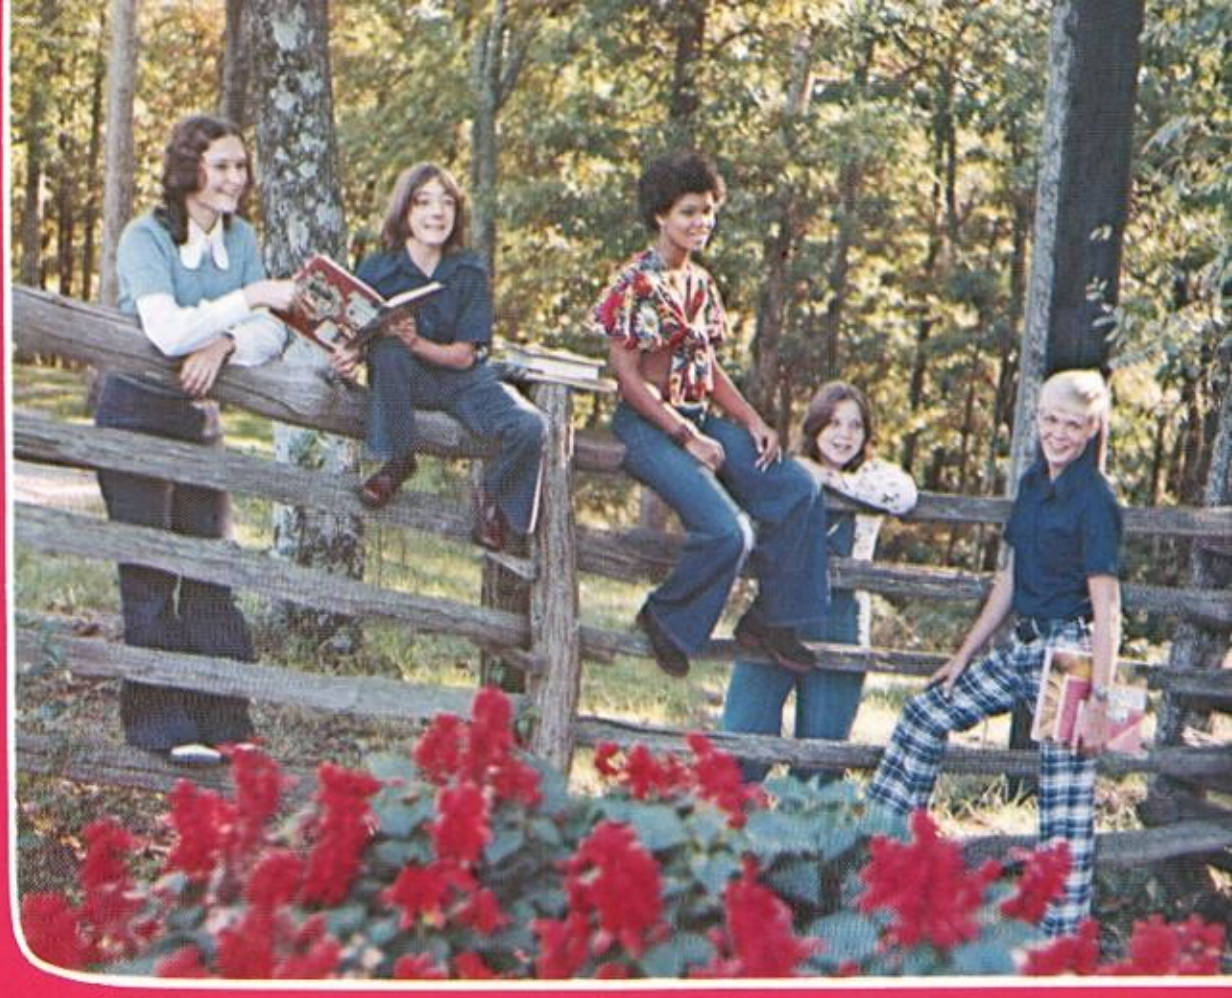
It's BEEN A GOOD YEAR AND WE A lot of GOOD ~~times~~ to REMEBER. Like the FOOTBALL GAMES AND the SUN AFTERWARD (WOW!) WE SURE DID GET MESSED UP! WELL I HOPE TO SEE YOU NEXT YEAR. WE CAN DO ALL THE GOOD ~~times~~ OVER AGAIN.

LOVE YA,
KEVIN
HALE♡



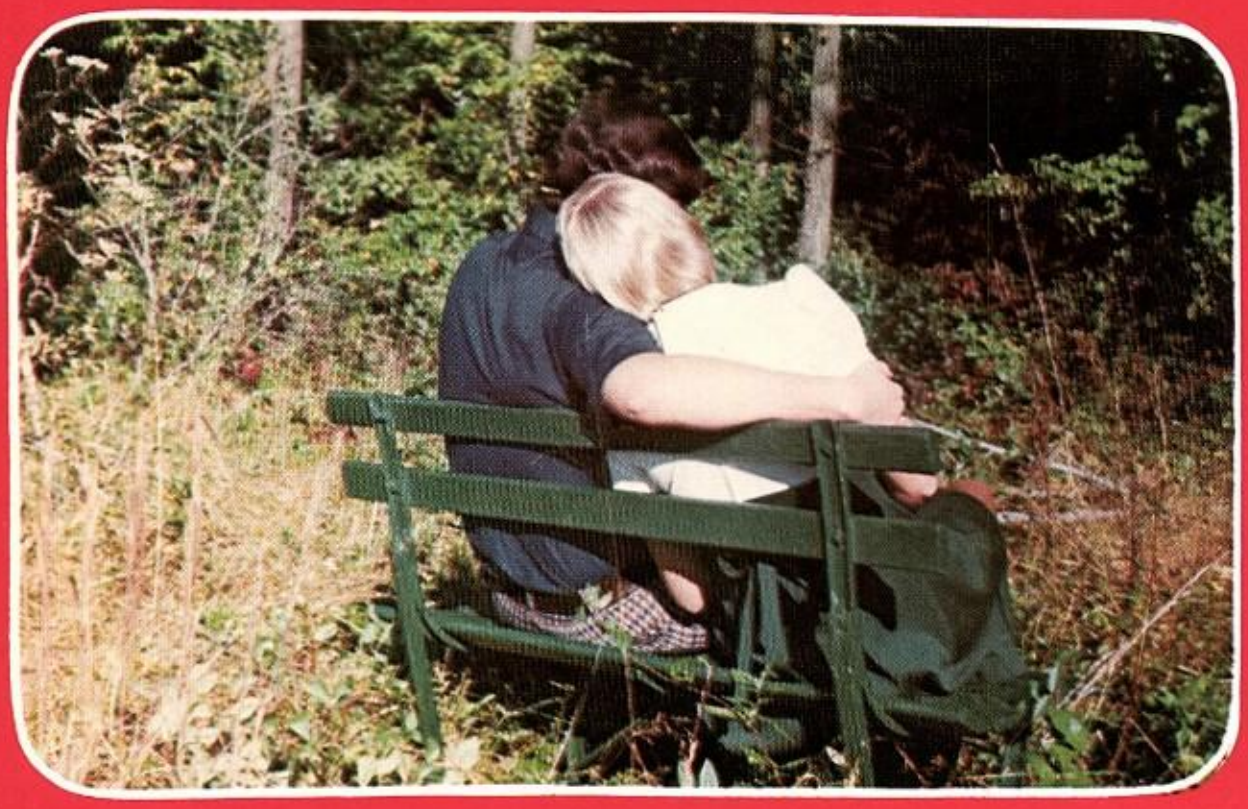


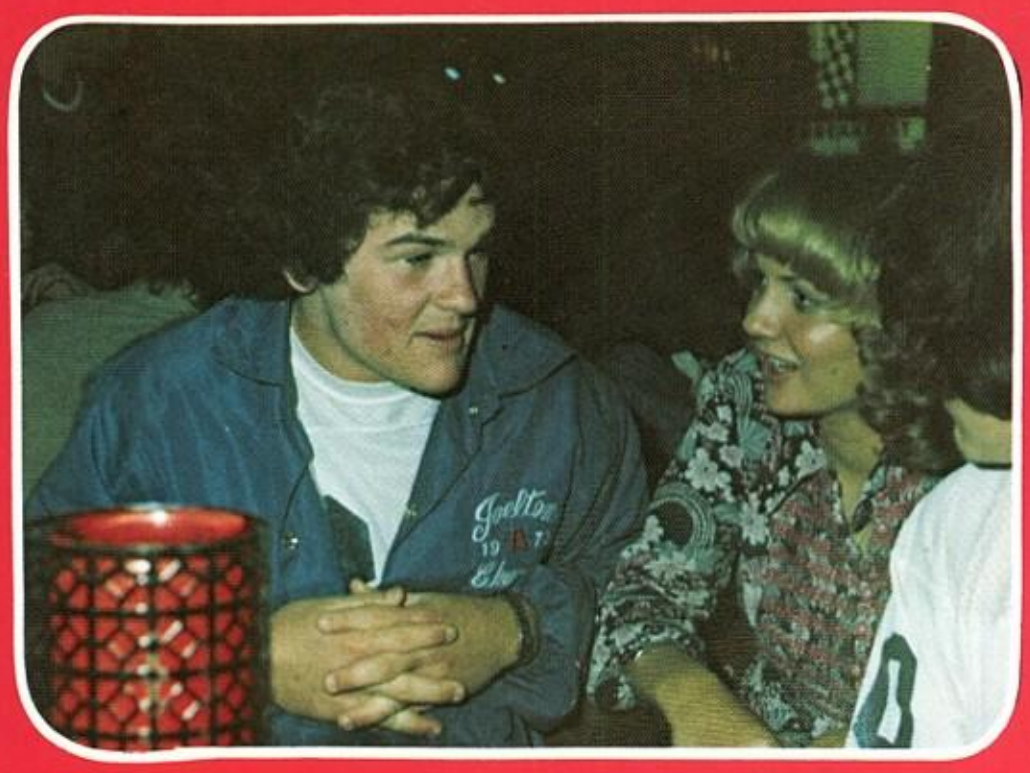
Who were your
friends?
Athletes, class officers,
or troublemakers?
Why were they your
friends???



. . . or did you
even take the time
to make
friends?

Today is the time to remember yesterday's special senior moments, for tomorrow, they will be only fleeting memories.





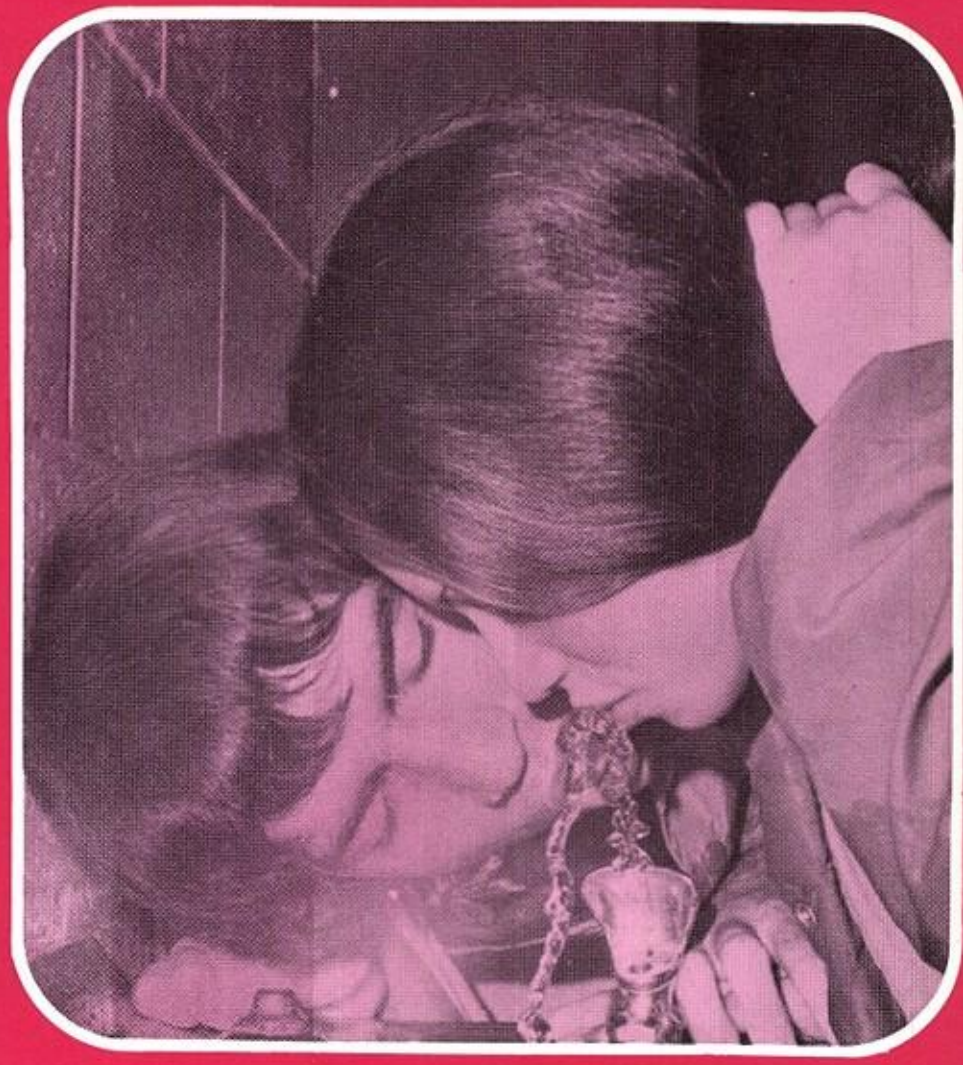
"Who are you riding to the Pizza Hut with tonight? Do you think we all can get home by twelve?"

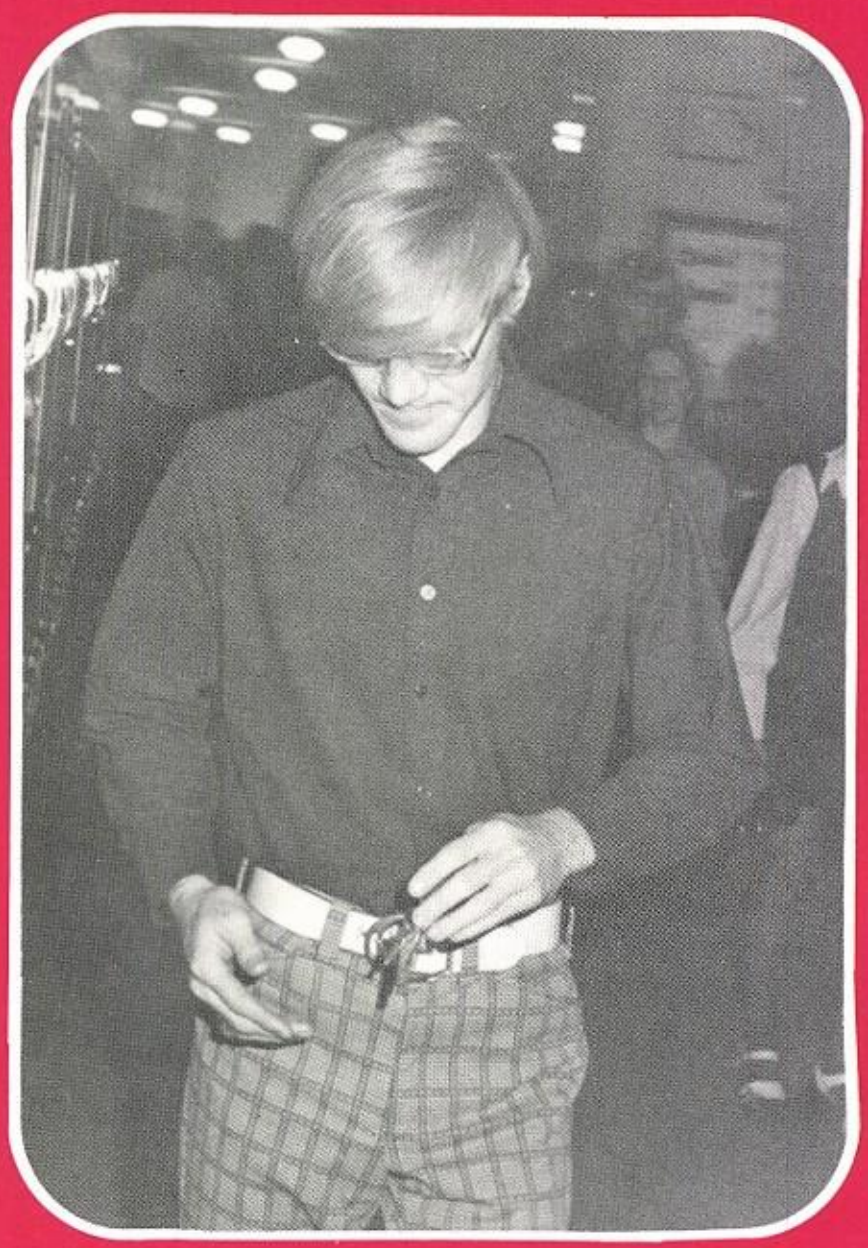
"Has anybody been waited on? Let me have a bit of your pizza. Get out of my coke!"

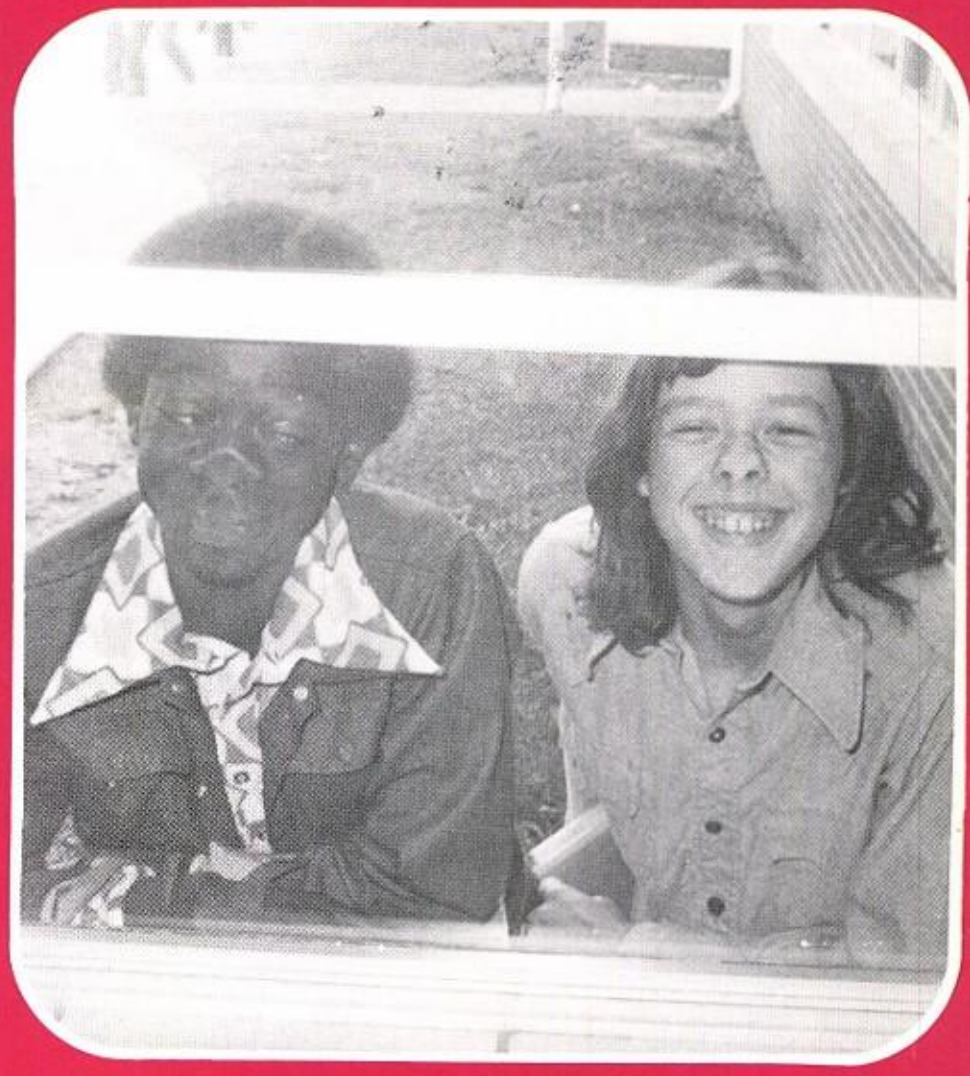
"What's everybody doing tomorrow night? Let's all get together and do something."

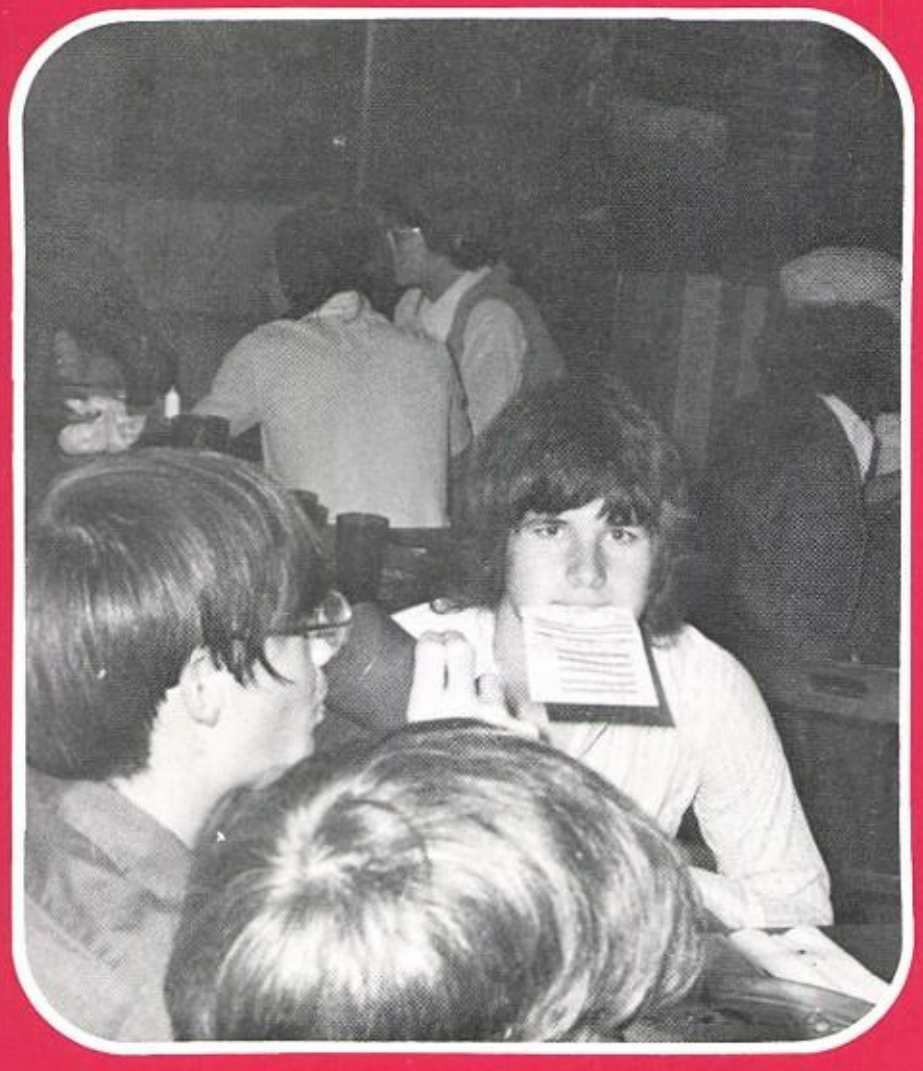
. . . And our Friday night ritual continued; until our time ran out.

Yesterday is experiencing
embarrassment.
Today is accomplishing
feats and creating firsts.

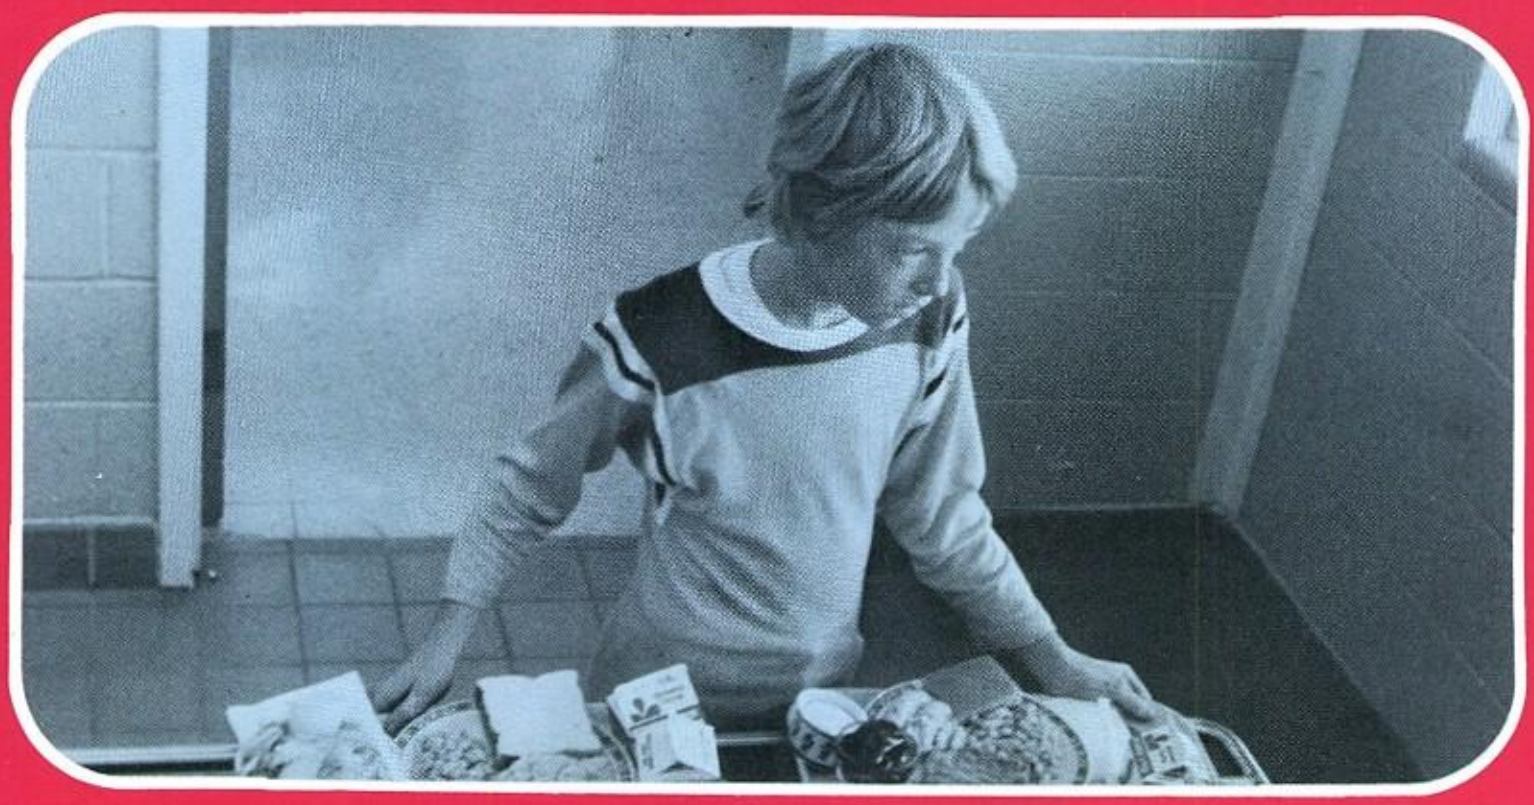


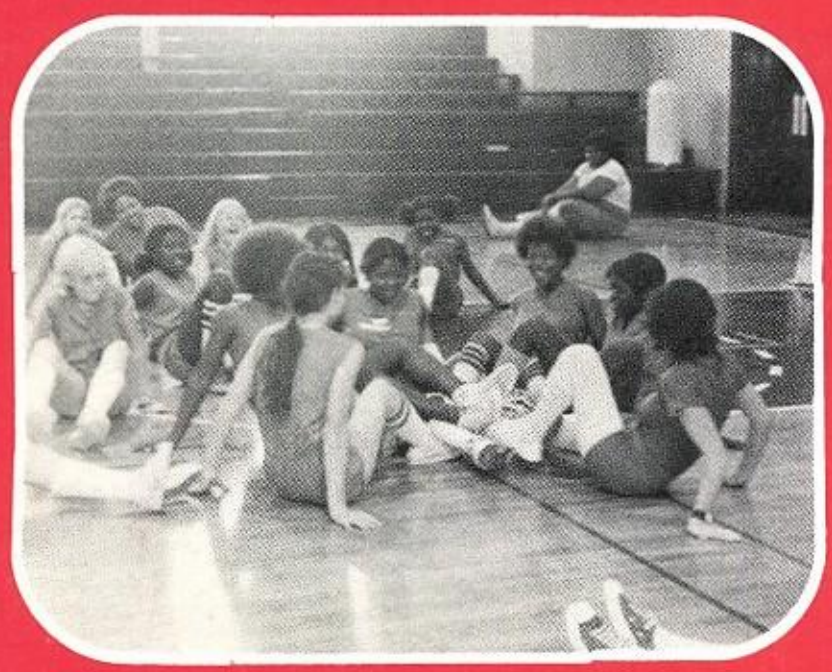


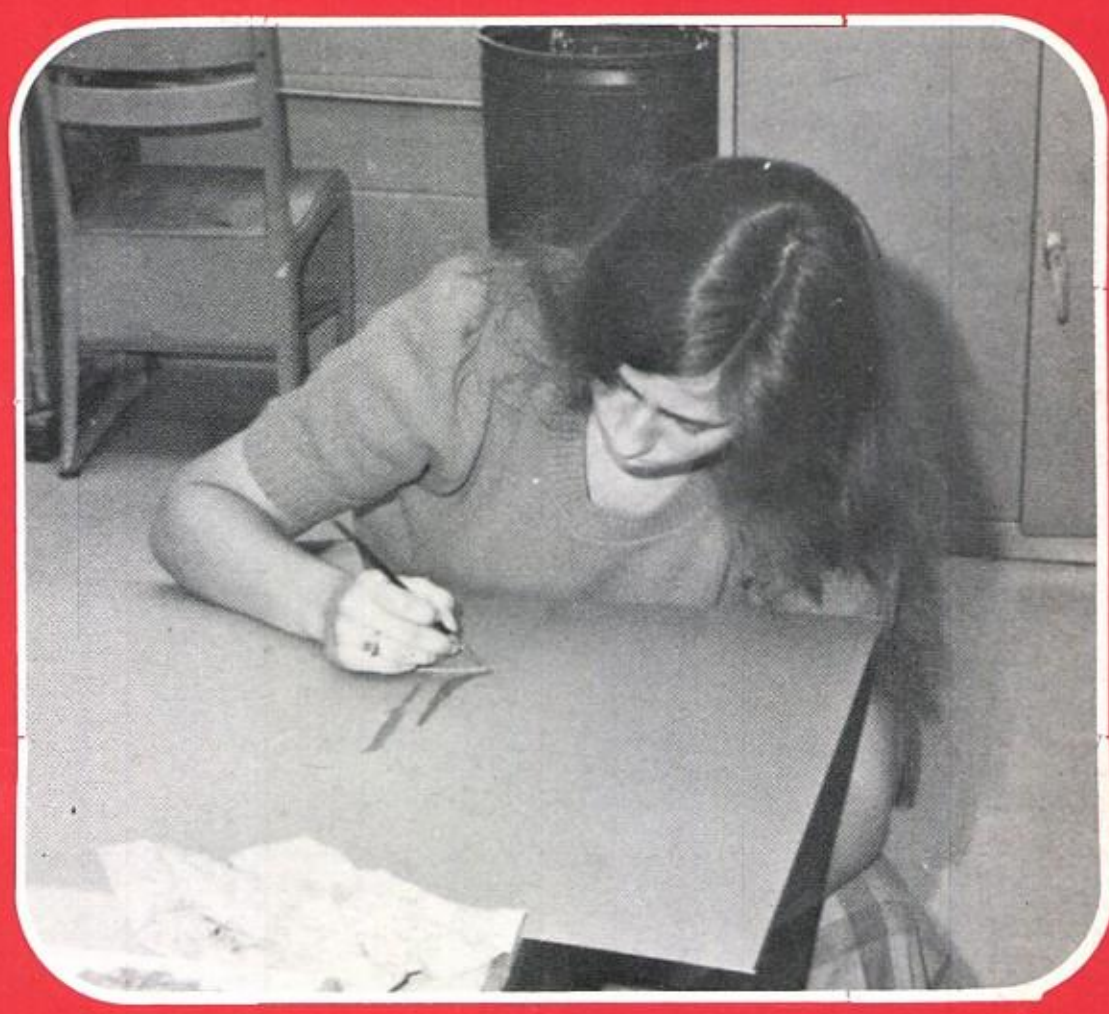




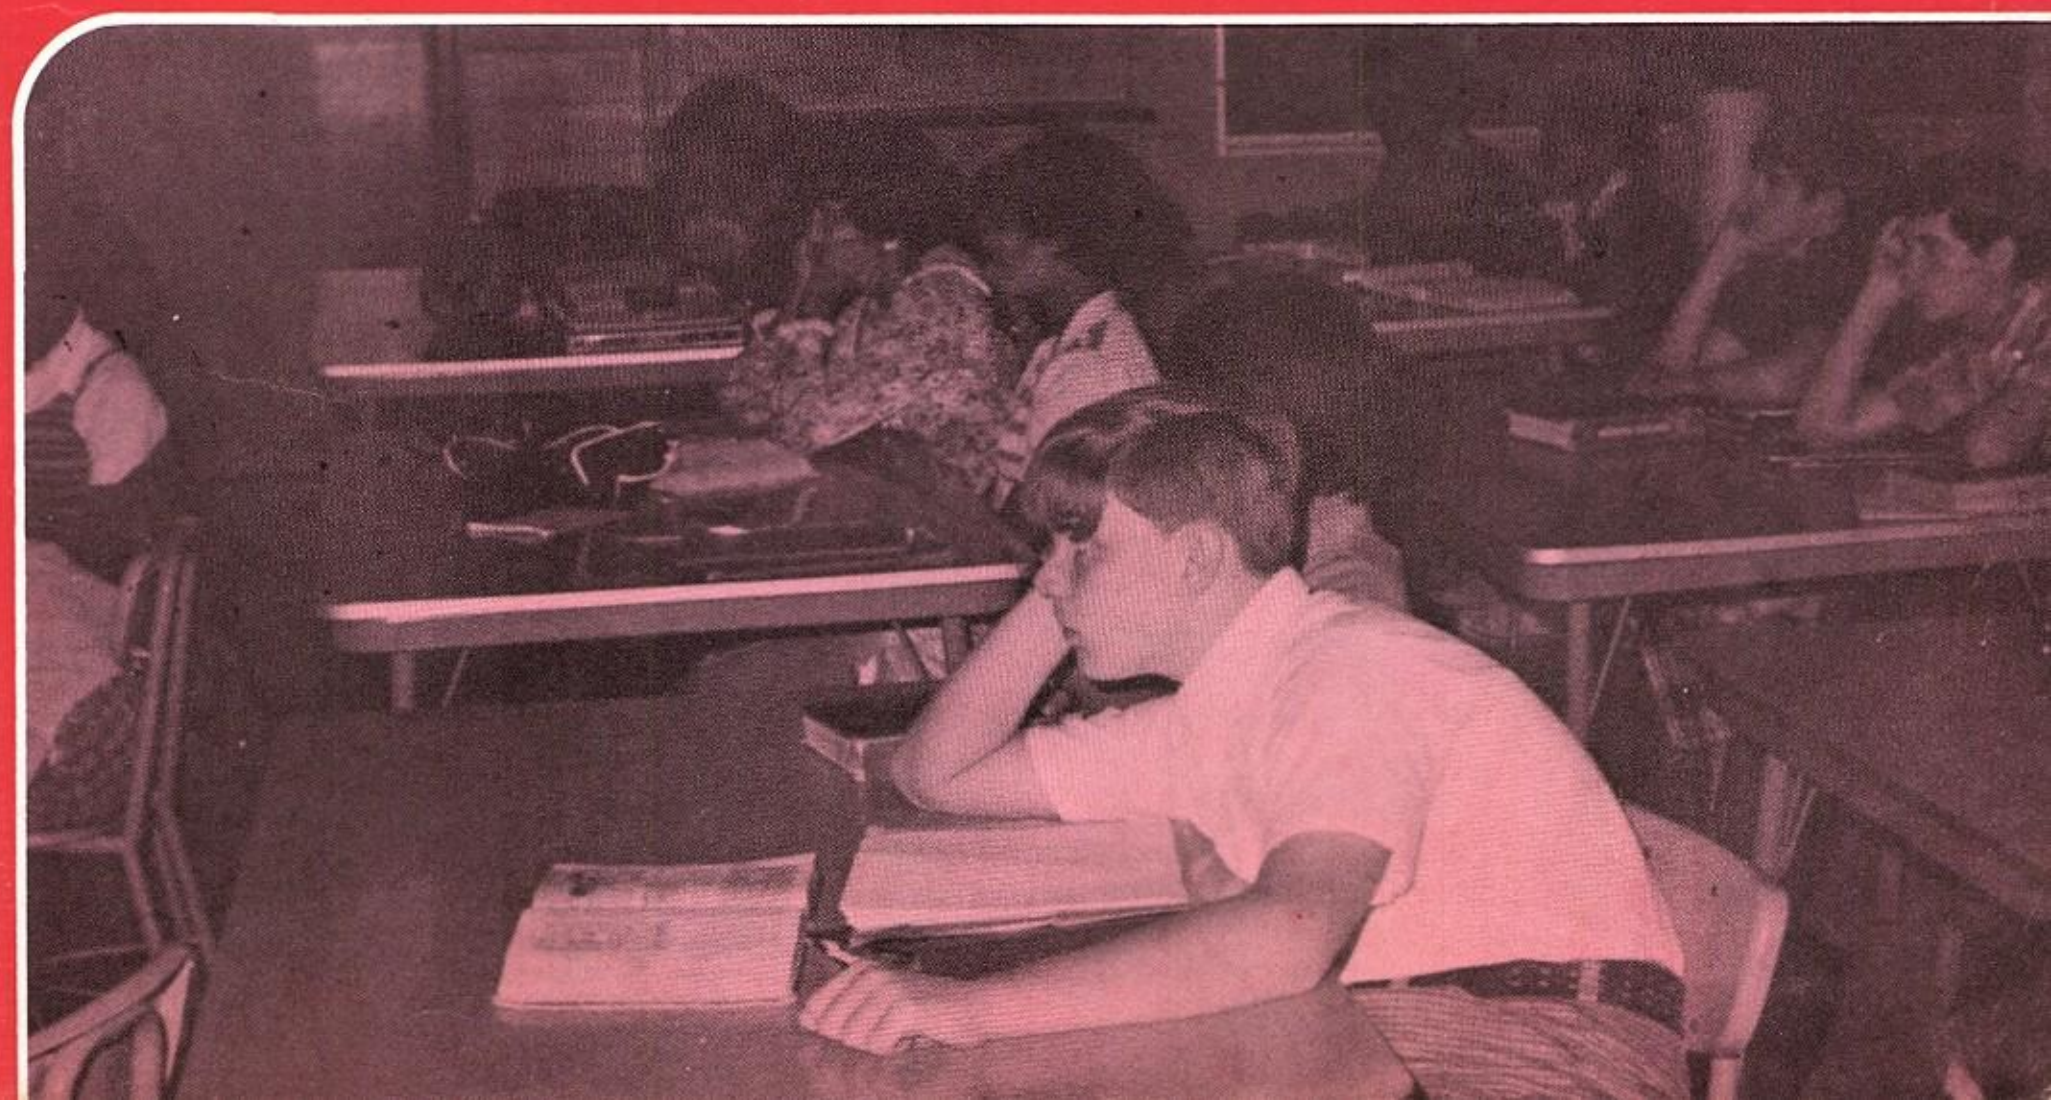
Tomorrow is profiting from past events.





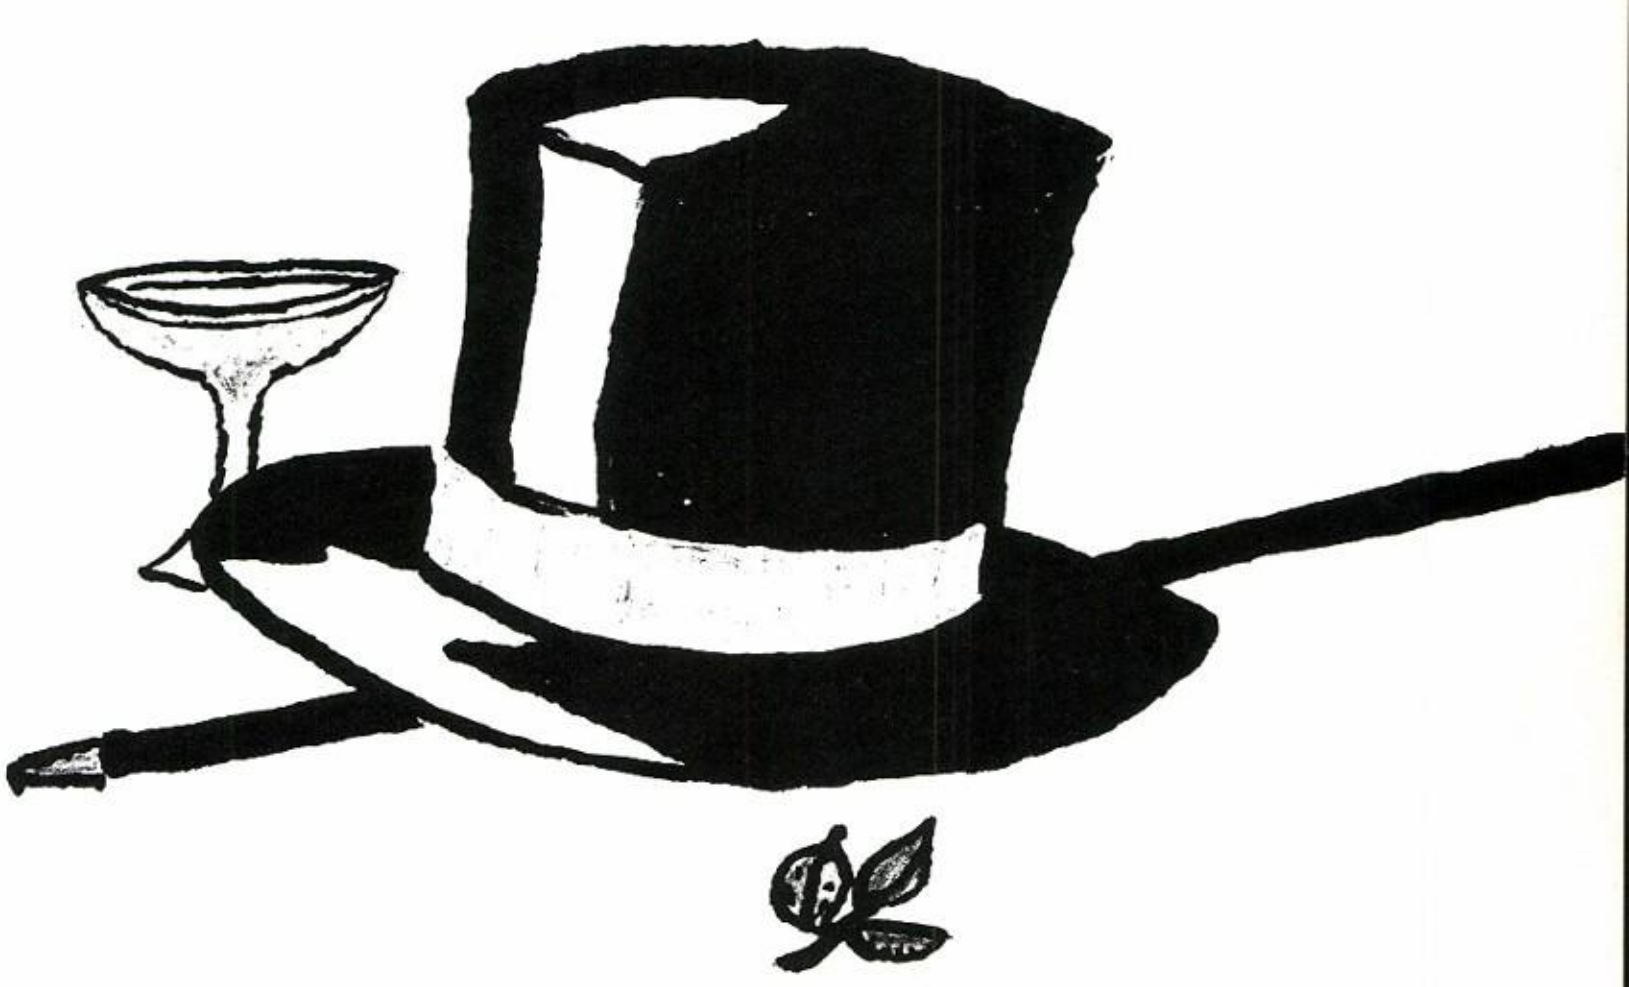


And when you recall you will realize that the year was made of many different parts.



EVERYDAY STUFF

THANKS



You Know I Can Dance

DEDICATION IS A FOUR-LETTER WORD — LOVE

Every year, time and space is set aside for someone special. The word "special" has different meanings, but it can be said that patience, unselfishness toward students, and competency all go into one magic word DEDICATION

Teachers mean different things to different people. Seventh graders may remember being taught the Alma Mater while Seniors may remember successful talent shows, entertaining musical assemblies, and loyalty as a class sponsor. Whatever we may remember, one thing stands out above the rest - her love for students.

For all these reasons, we the annual staff, take special pleasure in dedicating this 1974-75 annual to Mrs. Betty Harter.

DONNA HIGHLIGHTS PRE-GAME CEREMONY

The radiance of Homecoming queen Donna Gregory and her court spirited the team to a 31 to 26 victory over Clarksville Academy. For the first time, all Senior football members participated in the Homecoming festivity by escorting either an attendant or a cheerleader.

After the game, Donna and her court reigned over the Homecoming dance sponsored by the Junior class.

Eighth Grade Attendant Stephanie Burton escorted by Ricky Felts.

Six chosen candidates collected money votes for the honor of F.F.A. queen. The girls collected for several weeks and the winner was announced and crowned at the F.F.A. dance in the gymnasium. The money collected was used by the chapter to send sixteen young men and queen Lyvonn O'Neal to Chicago for six days. This was the first time for a queen to make the trip to Chicago.

LYVONN REIGNS OVER CHAPTER AND DISTRICT

Although some may consider the season a complete loss, others consider it a time for gaining experience. There were bright moments as the sparkling play of Janice Anglea and Gwen Mason left rays of hope for a better season next year. The team was not lacking in spirit and determination and its a sure bet they will finish stronger next year.

JUNIOR JAYS EXCEL IN SPIRIT

To the untrained eye it would appear that the Junior High basketball season was a dismal failure, but to the astute sports fan it was obvious that this was a year of rebuilding. "Quit" is simply not in the Joelton dictionary and though the team suffered losses, there were high points in the season with the dazzling play of Brian Ransom, and Thomas Boyd and the high jumping of Calvin Little and Orlando McCroskey. Coach Pugh can be proud of his team for they carried on in the true Joelton tradition. The fans can look forward to a brighter future for Joelton basketball.

MS TO PLEASE

The annual staff was a hard working, fun-loving group. Given the freedom to develop the annual of their liking, they attacked each task with boundless energy. It was the lapse in between deadlines that worried Mr. Bob Gallaher, their advisor. The lapses involved quips about each other and long stories about Friday and Saturday nights.

Totaling all their assets and liabilities, the 1974-75 annual staff earnestly endeavored to combine a book worthy of the grand J. H. S.

Among their activities are parties for day-care centers, Mother-Daughter banquets, field trips, money raising events, and school improvement programs. The club motto, "Toward New Horizons," says that future homemakers of today will be prepared for tomorrows world.

"Being able to do more work keeps their interest and all of this year's workers are veterans!"

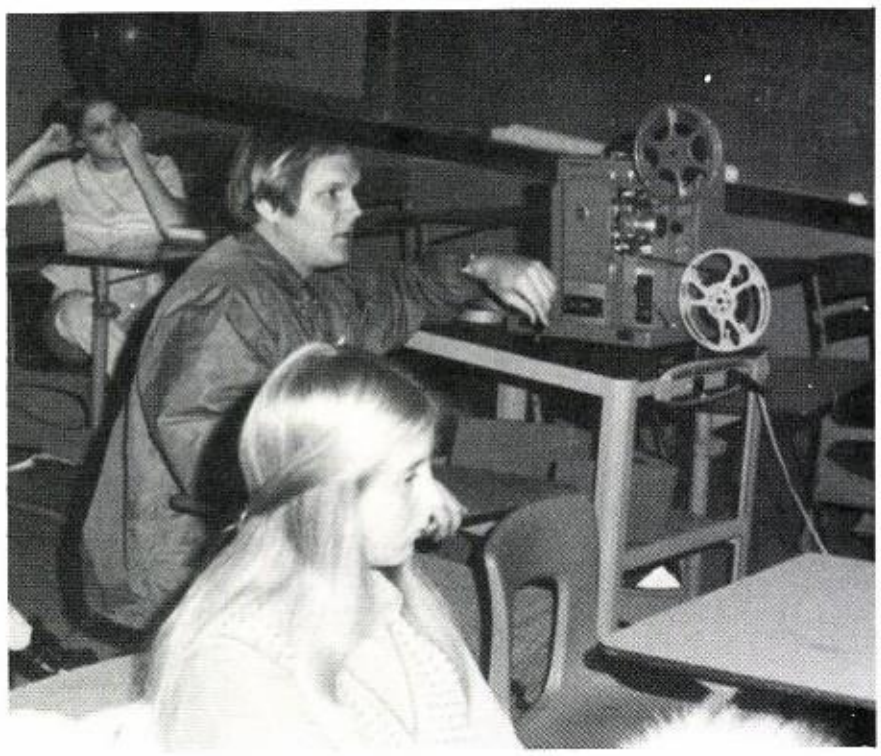
Mr. Seats
Custodian

Yesterday we worried about meeting the faculty, getting along with them and their likes and dislikes.

Today, we talk with them, laugh with them and learn with them.

Tomorrow we long to be in those classes; our classes. Remember:

Going to your home-ec class and finding out you bought the hardest pattern in town.



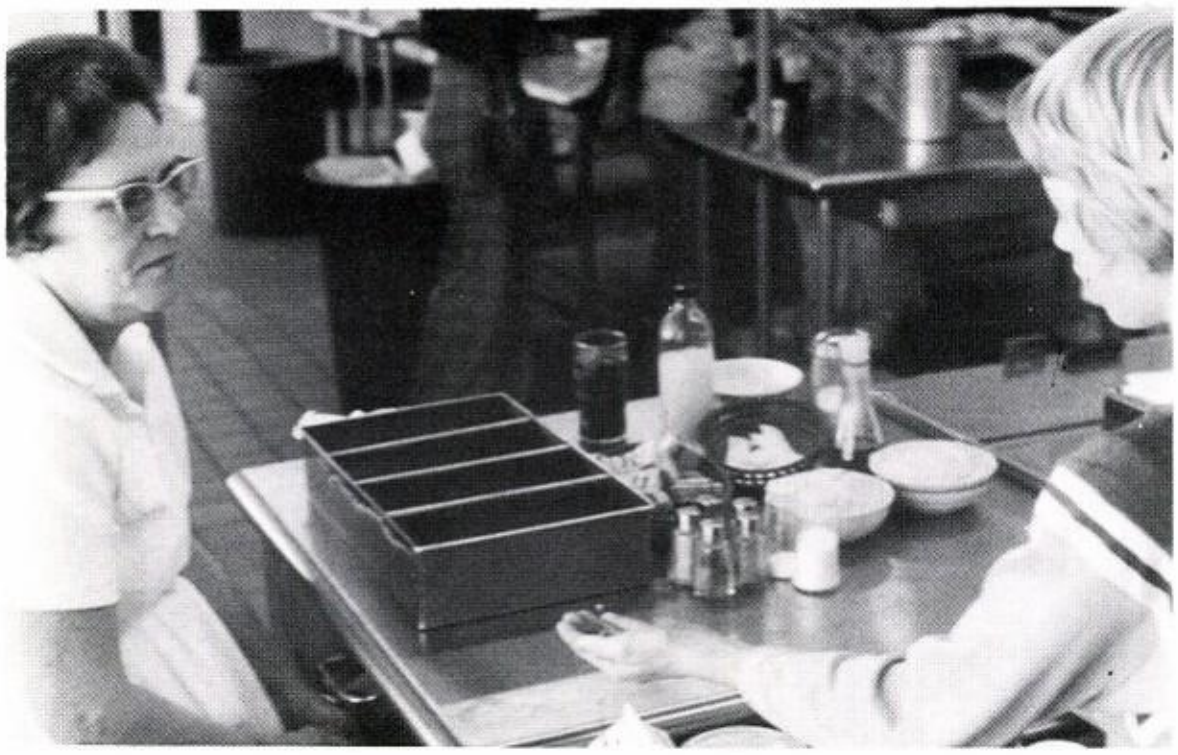
Going to your history class and watching the film on communism while studying Tennessee.

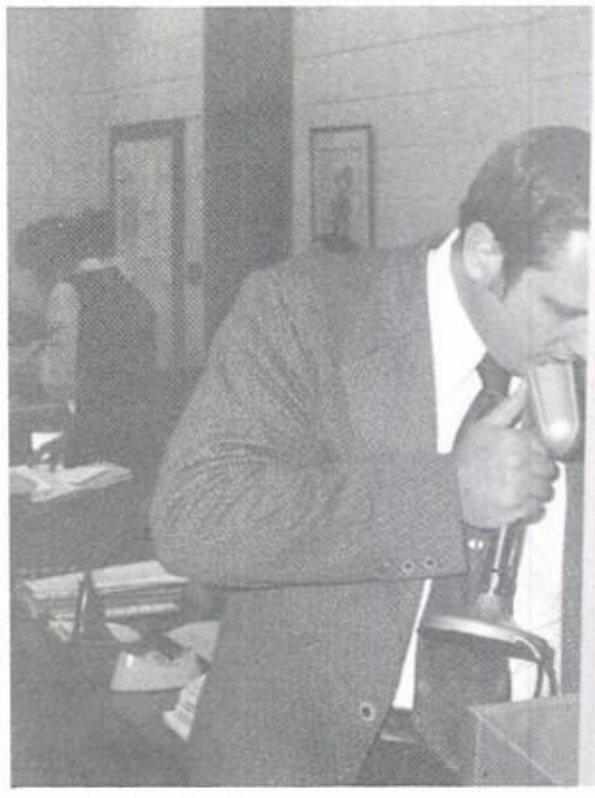
Going to P.E. without tennis shoes.

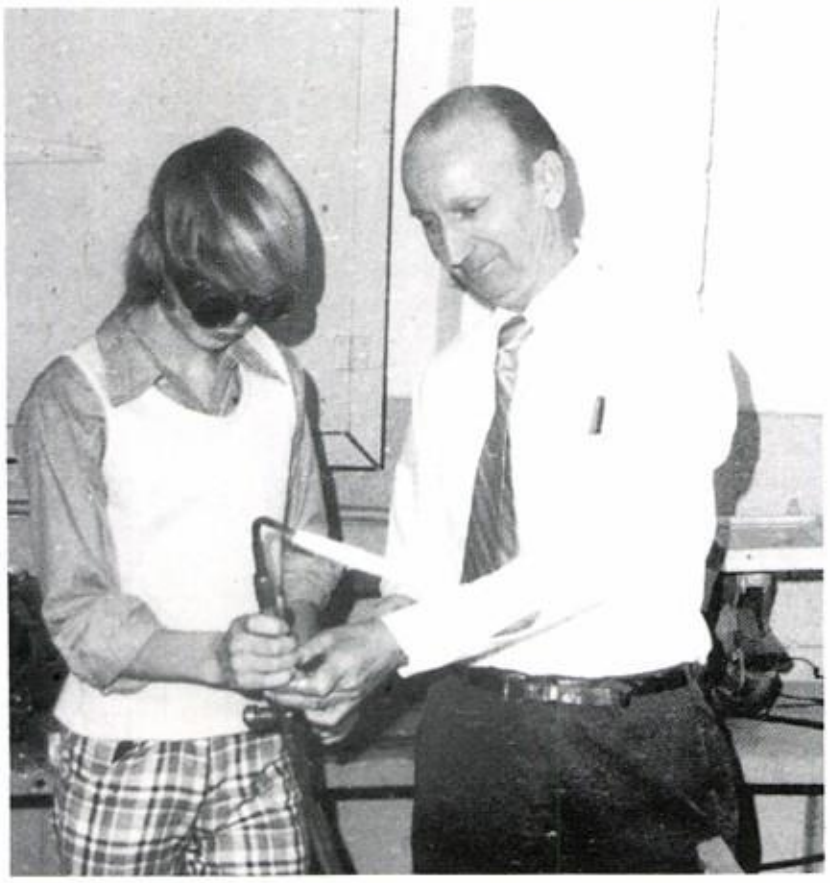
Going to lunch and bumming 60¢ off 14 different people.

Going to Psychology and wondering if that's you they're discussing.

We wouldn't even mind hearing the morning or afternoon announcements just one more time . . . But those days are gone.







The whole school appreciates a good teacher but Mr. Ellis holds considerable favor in the Agriculture Department. He has become such a part of Joelton that the foundations were shaken with his absence. We hope he will be able to continue here with his teaching duties.

CLASS OF 1975

The members of the class of 1975 will depart from Joelton High School and each will follow their own chosen path. Some have already laid the cornerstone for the foundation of their lives while others are still deciding their future.

We shall each take with us memories that were created within or near the halls of Joelton. We take with us collected knowledge of people, books, and the experience of our likes and dislikes.

Our twelve years of schooling passed by too quickly. Our senior year seemed to pass by more rapidly than any year before it.

We shed our tears and cherish our joys, for we know next year, the title of seniors will be worn by a new group of students just as it has been through the ages.

As this year comes to an end with tear-filled eyes for some, we all realize the happy moments we shared together here at Joelton High and the achievements we all made here.

As co-editor, I would like to thank the staff for the hard work they put in toward making this annual a great success. I would also like to thank our sponsor, Mr. Gallaher for putting up with all of us, and the administration for its cooperation. Appreciation is extended to Mr & Mrs Robert Anderson for allowing us to use their home for our color pictures.

As seniors, we must give up something that has always been a part of us. This is our last year at Joelton and I truly hope it has been the best. I also hope that this annual has met with your expectations in being the best and last annual you'll ever have, for you are who the annual is really for. As you leave I hope this annual carries with it ALL your treasured memories.

Pam

Co-Editor

I sat staring up at a shelf in my workroom from which 25 annuals dressed in neat, blue leather stared back at me with a sort of cold hostility, like children who resent their parents. Don't stare up at me like that! they said. Don't blame us if we didn't turn out to be the perfection you expected. We didn't ask to be brought into the world.

To a real Sweet & cute Girl, that I'll never forget. We've had lots of fun this year. Sure, we've had a lot of trouble this last Semester, but even though I hope that someday, somehow, we might be friends again. You know why we being in the same group will do us some good. I sorry about your Mother & I hope you accept my apology. Well I guess I'd better go now. Good luck in the future & Whe the boys. Hope to see you next year. Love Polly Keaton

Nearly twenty girls competed to form our dancing half-time show. Sponsored by Mrs. Norton, the girls worked out routines for their favorite hit songs. These girls put in just as much practice as an athletic team.
